Although an individual could be allergic to any food (such as meats, fruits and vegetables), 90% of all food allergens are caused by the above 8 food groups
 Domino's Pizza Australia strongly recommend to any customer that has a concern, to seek independent medical advice.
 Dominos DO NOT use MSG in any of their ingredients

Dominos stores will endeavour to provide allergen free pizzas if requested by the customer but cannot guarantee 100% protection of cross contamination from within store operation

No Allergens
